D Sir

I have rec^d your favor
of the 23^d instant and wish it was in my
power to aid in the good object you propose
and in several others I have under consid-
eration, but I must limit my benevolence
to my means. - All the money I can
conveniently spare I give away, and have
none to loan in the way you speak of
I have shown your letter to Mr W. Lawrence
who declines making the loan and
it will be of no use to show it to his
brother. - The money must be obtained
near Washington when the transaction
can be looked into personally. We have
applications enough here I can assure
you.

Yours truly
W. W. Stone
